

Sign of the Times: **Examining Aesthetics After Trauma**

Conference

May 5th, 2023 - Carleton University

Call for Papers:

Challenges to individuals, communities, countries, or our global existence can influence the ways in which we experience, communicate, and create.

Considering the recent and ongoing pandemic and the effects on our global interactions, the conference will explore connections between trauma and aesthetics.

Please submit by **March 1st, 2023** with:

An abstract (300 words)

A bibliography (100 words)

A short list of relevant key words
