

Letter to Placement Employers

Process for Workplace Safety and Insurance Board coverage

The Ministry of Training, Colleges and Universities (MTCU) has implemented a new streamlined process for students enrolled in an approved Ontario university program that requires them to complete placements in the workplace as part of their program of study.

The Workplace Educational Placement Agreement (WEPA) Form has been replaced by the Postsecondary Student Unpaid Work Placement Workplace Insurance Claim Form. Placement Employers and Training Agencies (universities) are not required to complete and sign the online *Postsecondary Student Unpaid Work Placement Workplace Insurance Claim Form* for each placement that is part of the student’s program of study in order to be eligible for WSIB coverage. Instead, this form only needs to be completed when submitting a claim resulting from an on-the-job injury/disease. Please note that universities will be required to enter their MTCU-issued Firm Number in order to complete the online claim form.

The new form has been posted on the Ministry’s website at:

- [Postsecondary Student Unpaid Work Placement Workplace Insurance Claim](#) (English)
- [Demande d'indemnisation contre les accidents du travail par les étudiants postsecondaires qui prennent part à un placement non rémunéré](#) (Français)

Please note that all WSIB procedures must be followed in the event of an injury/disease. Universities will keep the signed original of the placement letter on file and ensure that Placement Employers have a copy.
